MAGAZINE

A **lifestyle magazine for men** that is distinguished by high quality, interesting and varied content. It is a credible magazine that does not create an idealised world of luxury, but instead paints the picture of how our readers live and what they strive for. Career, fulfilling private life, quality lifestyle are the primary areas of interest. LOGO is treated more as a buddy than a mentor.

READERS:

Readers of LOGO are modern and confident men, aged 20-44 years.

Ambitious and with a zest for life. They want to be up to date with the latest news and trends, but they do not follow them blindly. Private life is just as important to them as their career.

They view their financial situation to be better than that of the average man. They hold high positions in a corporation or run their own company.

TAKE ADVANTAGE OF IT, BECAUSE:

- ▶ LOGO is an advertiser-friendly magazine, it contains no nudity or violence.
- ▶ It has low co-readership with other magazines for men; by ignoring it you ignore potential customers.
- ▶ It is the only lifestyle magazine for men surveyed. You can be certain what you invest in and whom you reach.

DID YOU KNOW:

- ▶ We organise the „Best Dressed Poles” Poll, which is a contest combined with a dress code guide for men.
- ▶ In 2018 we organised the Summer LOGO Movie Theatre in Warsaw. Nearly 3 000 people joined us there on warm summer evenings.
- ▶ We carry out numerous partnership projects with our Clients, we prepare sessions, advertorials, and backstage materials.
- ▶ We are experts in the area of men’s lifestyle; for example, we run an educational project concerning wristwatches.
